Ancient Charge

From ancient times no master or fellow should be absent from his Lodge, especially when warned to appear at it, without incurring a severe censure ; unless it appeared to the master and wardens that pure necessity hindered him.

Be very cautious whom you recommend as a Candidate for Initiation : one false step on this point may be fatal. If you introduce a disputatious person confusion will be produced, which may end in the dissolution of the Lodge. If you have a good Lodge, keep it select. Great numbers are not always beneficial."—Dr. Oliver.
