Antient Charge

From antient times no master or fellow could be absent from his Lodge, especially when werned to appear at it without incurring severe censure: unless it appeared to the master and wardens that pure necessity hindered him.

"Be very cautious whom you recommend as a Candidate for Initiation: one false step on this point may be fatal. If you introduce a disputatious person confusion will be produced, which may end in the dissolution of the Lodge. If you have a good Lodge, keep it select. Great numbers are not always beneficial."—Dr. Oliver.

NOTE.

All Brethren are requested to intimate definitely their intention of attending or not. In view of the difficulty of making arrangements for catering, provision can be made only for those whose replies are received three days prior to the meeting. Brethren inviting guests should notify the Secretary as early as possible so that their replies may be received in time.
