

SOME RECENT LETTERS OF APPRECIATION

Dear Mr. Gole,

I do want to express my deepest gratitude to the Board & the School Staff for the wonderful education David has received. He will be starting a year voluntary Service Overseas in September, and I know the help & guidance he has received will stand him in good stead for this, and I sincerely hope he will be a credit to the School in the years to come.

I myself am deeply indebted to you all and could not possibly express in words, how grateful I am for the education David has received.

My most grateful thanks to you all.

Yours sincerely,

Dear Mr. Gole,

I thank you for your letter regarding my son leaving Dudley at the end of the term.

I find it very hard to express my thanks in words for all that has been done for him.

He went into the School early and on the backwood in his school work. Now he is a self-motivated

young man, about to take his A. levels and with a good chance of going to University. Nothing I could say would really explain to you the tremendous gratitude I feel.

I know that he will keep in touch with the School as it means so much to him and I hope in his turn he will help some future boys to benefit as he has done.

Yours sincerely,

Dear Mr Jeth,

I would like to tell
the opportunity of having the
School & Institution for the
education my son - Philip -
has received. I have always
been most impressed with the
care & guidance he has had
throughout his school career
& when visiting Graham's
we has very happily done
been there.

Dear Mrs Tale,

Thank you for your letter
of 5th December.

You have been grateful
for everything that has been done
by the Harrow Institution for my
two boys.

Stephen, the elder boy is now
attached to accountants in the City

It is gratifying to
know that if he is ever in
need of help or advice he
can again turn to the
Institution with whom he
will continue to remain in
contact.

I am sure that the
years spent at the School
have provided for him a
sound foundation for his
future career.

Again my sincere thanks,
Yours sincerely,

And when his next Intermediate Examination
is held next year, mark is
studying for his 11th level as I expect
you know, and really loves his
brave school.

If possible I should like
you to convey my thanks to
all concerned in the wonderful
work at the Harrow Schools,

Yours sincerely,

Dear Mr. Jole,

Thank you for your letter,
and your good wishes for my son's
future.

The year he spent at the
Masonic School have been of great
benefit to him, and we both appreciate
it very much. I am extremely grateful
for the excellent education, and also
for the care and guidance he has
received over the years. It will,
I feel sure, be a firm foundation
for his future.

Please accept my very
sincere thanks
Yours sincerely

Dear Mr. Jole,

I need hardly say how grateful I
am for all that has been done for
Colin. The excellent education, training
and background have been second to none
and I am very proud and pleased that
he has benefited so much.

Once again please convey my thanks
to the Board and to all concerned.
Yours sincerely,

Dear Mr. Jole,

My son, Richard, has now left the
Royal Masonic School. To write and
merely say thank you seems so very
inadequate.

I can remember very clearly
thinking that it was a big
decision to send my son miles away
from home - and for so long a time.
Now that I can look back on his
education and the character building
that the masters have achieved, I
feel thankful from the bottom of my
heart. Any boy who is fortunate
enough to be admitted to your school
is given the best possible foundation
for his future.

I have even more reason to be
grateful as I have found it a big
struggle financially since my husband
died. To know that my son was in such

good hands, has been a tremendous help
to me.

Richard is terribly proud of his
school, and I know that he will look
back in the years to come, with the
knowledge that his education was
second to none.

Please will you convey my gratitude
to the Board of Management. Not only
for the past years, but also for their
continued interest.

It is going to seem very strange
not to go to Bushey - not to address any
more envelopes to the school, and the
day that my son left, I looked round
with quite a feeling of sadness. The
visits to school have become a part of
my life and I shall miss going.

Yours very sincerely,

Dear Mr. Jole,

Having left school after
his 14 weeks and I would like to thank
both yourself and all who helped to give
him such a splendid education. I don't
think it is just the education I should give
thanks for, but the developng of his character
and the independence that the school has
fostered in him.

I am very grateful indeed for
all that has been done for him.

Yours sincerely,

Dear Mr Jole

I thank you for your letter
of 10th April and I am very grateful for
your kind remarks and a future help
and advice should my son so desire it,
also for the good services of the Board.

I am sure that Hugh will go
forward in life with confidence, having
had such a wonderful education and
I have no hesitation in saying that
he will obtain success in his career

and hereby bring credit to the school
and Institution and to all who have
helped him along the way.

I am deeply grateful to you,
the schoolmasters, staff and all
concerned for the exemplary manner
in which my son's education has been
conducted.

Yours sincerely,
