---

"Good night, Good night! Parting is such sweet sorrow."—*Shakespeare.*

"Come, sing now, sing; for I know you sing well;  
I see you have a singing face."—*Beaumont and Fletcher.*

### VISITORS' SONG.

Ladies from the East and West,  
We have done our very best  
To ensure our welcome here,  
Bright, fraternal and sincere.

Chorus—  
Warm Masonic hearts to meet you,  
Hands of fellowship to greet you,  
May our welcome here to-day  
Help to cheer you on your way.

We all recognise your worth—  
Our best friends upon this earth,  
For whatever be our lot  
Rich or poor it matters not.

When on earth we say adieu,  
May our love remain with you,  
And may we renew that love  
In a grander Lodge above.

---

### WORSHIPFUL MASTER'S SONG.

We have toasts in the Craft, a howe others,  
That specially thrill through the breast,  
While singing in praise of our Brothers,  
Who right well rule o'er the rest,  
The blood in our veins flows the faster  
As the health is pronounced free,  
Of our excellent Worshipful Master,  
"A jolly good Mason is he!"

Here's a health by our Worshipful  
Master,  
Beloved of us all "on the square,"  
Let his name in the Craft with all  
honours be quaff'd,  
And "prosper the art" ev'rywhere.

Though we greet him with hearty ovation,  
As a monarch o'er all he surveys,  
We must help him on ev'ry occasion  
His banner Masonic to raise,  
Our love and obedience requite him,  
Our zeal in the cause give him bliss,  
And our harmonies ever delight him,  
With a chorus as friendly as this.  
Here's a health, etc.

At the sound of his voice or his gavel,  
Let careful attention prevail,  
None dreaming to cark or to cavel,  
But cheerfully utter "all hail!"  
May his year be a season of gladness,  
His cup and his cupboard be full,  
And our way to ward off care and sadness  
Is with him together to pull.  
Here's a health, etc.

---

"Let the singing singers,  
With vocal voices, most vociferous  
In sweet vociferation, out-vociferise  
Ev'n sound itself."—*H. Carey.*

" Nothing great was ever achieved without enthusiasm."—Emerson.
