"From antient times no master or fellow could be absent from his Lodge, especially when warned to appear at it, without incurring a severe censure, unless it appeared to the master and wardens that pure necessity hindered him."—ANTIEN CHARGES.

"Be very cautious whom you recommend as a Candidate for Initiation: one false step on this point may be fatal. If you introduce a disputatious person confusion will be produced, which may end in the dissolution of the Lodge. If you have a good Lodge, keep it select. Great numbers are not always beneficial."—DR. OLIVER.
