### Antient Charge.

*From antient times no master or fellow could be absent from his Lodge, especially when warned to appear: at it, without incurring a severe censure: unless it appeared to the master and wardens that pure necessity hindered him.*

*"Be very cautious whom you recommend as a Candidate for Initiation: one false step on this point may be fatal. If you introduce a disputatious person confusion will be produced, which may end in the dissolution of the Lodge. If you have a good Lodge, keep it select. Great numbers are not always beneficial."—DR. OLIVER.*
