Dear Mr. Haysom,

Very many thanks for your letter
of the 15th instant. It greeted me on my
return home from hospital - where I had been
for a slight operation - for the previous fortnight.

And of course very many thanks for your
kind offer to call for me on October 1st at
5 pm. I am looking forward to being with
you on the evening of that day, and hope
that you will have a very happy evening.

Yes, I remember Fred Powell quite
well, and was pleased to see him again
two years ago, when I officiated at the
funeral of Mrs. Banton. At that time his
wife was still alive and I was able to
have a few words with them both. Please
give him my kindest regards, when and if
you see him again.

It would be nice to see Wally de Grey if
he can be present at the Lodge on that
occasion. I naturally remember him quite
well.

I had a very nice letter from the
Rector of Northfield. Unfortunately he was
unable to find my old diary - it probably
was lost or destroyed during the move - but
it was only of interest to me - and only
of sentimental interest.

I am looking forward to seeing
you on October 11th.

Kind regards,

Yours sincerely and fraternally,

By A. Hayson
