Dear Bro Riley,

Are you going down to Braintree  
for the Masonic Exhibition. I am contemplating  
a run down for a day just to see it. It is a  
tremendous long way for a very short time  
but I did not see the Worcester one and so  
am anxious to see this. If you are thinking  
of going we might meet & journey together.  
Do you know anything about the opening  
evening.

W Bro J. Ramsden Riley

Bradford

Yours in haste
