"From Antient times no Master or Fellow could be absent from his Lodge, especially when warned to appear at it, without incurring severe censure, unless it appeared to the Masters and Wardens that pure necessity hindered them." (Antient Charge)

"Be very cautious whom you recommend as a Candidate for Initiation; one false step on this point may be fatal. If you introduce a disputatious person confusion will be produced, which may end in the dissolution of the Lodge. If you have a good Lodge, keep it select. Great numbers are not always beneficial."—D. Oliver

EXTRACT FROM GRAND LODGE PROCEEDINGS,  
 5th SEPT., 1956 and 3rd MARCH, 1954

Brethren Visiting Lodges Overseas.

The Board (of General Purposes) hopes that every Brother who wishes to visit a Lodge under a recognised Constitution while abroad will obtain from his Lodge Secretary a Certificate stating that he is in good financial standing with the Lodge at the time of his visit. This, as well as his Grand Lodge Certificate, can then be produced when called upon to do so.

Brethren should not make any Masonic contacts overseas with Masons of other Jurisdictions without having ascertained, by application to the Grand Secretary at Freemasons' Hall, the existence of regular Masonry in the country concerned, and the address to which Masonic enquiries in that country should be directed.
