Dear Sir and Brother,

CHARITY UNIONS.

I shall be glad to receive your contribution towards your Charity Union for 1954. As you may be aware, the Lodge and Members will join the Province in supporting the Royal Masonic Institution for Girls Festival, and it will be of great assistance if you can deal with this without delay.

I should also be very glad to receive subscriptions from Brethren who may not be subscribers to Unions, and would remind them that £5 5s. qualifies for a life vote. If you are not already a subscriber to a Union and wish to become one, I shall be pleased to give any information you require, and also make the necessary arrangements for you.

In addition, I should like to bring to the attention of the Brethren the advantage of covenanting to pay to the Lodge Charity Trustees a subscription for a period of not less seven years. This will enable the Charity supported each year to obtain a refund of the tax paid by the subscriber in respect of the item of his income represented by his subscription. In the event of a subscriber's death within the period, the remainder of the payments are automatically cancelled.

Yours faithfully and fraternally,

C. H. WEAVER,

Charity Secretary.
