

From ancient times no master or fellow could be absent from the Lodge, especially when warned to appear at it without incurring a severe censure, unless it appeared to the Master and Wardens that pure necessity hindered him."

—ANTIENT CHARGE

"Be very cautious whom you recommend as a candidate for initiation, or a false step on this may be fatal. If you introduce a dissipated person, confusion will be produced, which may end in the dissolution of the Lodge. If you have a good Lodge keep it select, great numbers are not always beneficial."—DR. OLIVER.
