

Sir,

I am directed by the Worshipful Master, the Wardens & Brethren of the Worcester Lodge of Free & Accepted Masons, to tender their most heartfelt thanks for the attention which was uniformly paid to the comforts of the Brethren by our late much lamented Brother Brownidge for the space of about half a century, during which time the Lodge was held at his house.

The Brethren having however, the interests of the Lodge most seriously at heart - & from the number of Members lately added - with the expectation of other additions & the inadequate accommodation afforded at the Rain Beer Hotel, have determined upon moving their place of meetings to a more convenient situation.

The Brethren at the same time desire to re-

could then thank to Mr George Burnidge  
for his kind liberal treatment since the  
demise of his Father - wishing also, still  
further to trespass upon his kindness, by  
desiring permission to meet - as usual at  
the Regent Hotel on Thursday evening  
next.

I remain &c.

Your most obedt Servt

Walter G. and Scot
