The Worshipful Master's Song

WE have toasts in the Craft among others,
That specially thrill thro' the breast,
While singing in praise of our Brothers,
Who rightly rule over the rest.
The blood in our veins flows the faster
As the health is proposed loud and free,
Of our excellent Worshipful Master.
For a jolly good Mason is he.

Chorus.—1st time solo, 2nd time altogether.

Here's a health to our Worshipful Master,
Beloved of us all "on the square."
Let his name in the Craft with all honours be quaff'd
And "Prosper the Art" everywhere.

Though we greet him with hearty ovation
As monarch o'er all her surveys,
We must help him on every occasion,
His banner Masonic to raise.
Our love and obedience requite him,
Our zeal in the cause give him bliss,
And our harmonies ever delight him,
With a chorus as friendly as this—

At the sound of his voice or his gavel
Let smiling attention prevail,
None dreaming to cark or to cavil,
But silently utter "All Hail."
May his year be a season of gladness,
His cup and his cupboard be full,
And our way to ward off care and sadness,
Is with him together to pull.
