# Foreword

THE purpose of this booklet is to remind the Masonic fraternity of Winnipeg, and especially the members of Prince Rupert's Lodge, of the early experiences of the Order in the Red River Valley.

The handful of pioneers who, fifty years ago, made the symbolic use of the square and compasses known on these prairies, were men who had the real meaning of Free Masonry so much at heart that no superficial inconveniences could stop them. Their cheerful energy and their resourcefulness laughed at the devices of a makeshift lodge room, home-made regalia, and "jewels" of polished zinc. It was the vital brotherliness of the Order that they were concerned about.

There has always been an intimate connection between Free Masonry and patriotic service, and it is significant that the first Masonic Lodge in Western Canada was founded by men who had come to re-establish law and order and who had endured a fatiguing overland march and risked their lives for a united Canada. They came as an armed force expecting to meet an enemy, but one of their first undertakings was to invite local co-operation in the building up of an order devoted to brotherly love, relief and truth.

May the story of this little book help to keep us up to their high level.

# History of Masonry in Manitoba

1864 to 1880

By *Bro. Joseph Hurssell*

IT is not our intention in this article to furnish our Masonic Brethren with a thorough and elaborate history of Freemasonry in all its minor details, but to give a concise and reliable synopsis of the leading incidents of its introduction into this region, in an organized form, and to show that its prosperity has kept pace with the increase of population and civilization in this great lone land.

Individual members of the fraternity have come and gone from the time of the earliest settlement, but it was not until the year 1864 that a sufficient number were domiciled in the neighborhood to permit of an effort to establish a Lodge at Winnipeg, which was at that time a mere hamlet about a mile from Fort Garry.

We cannot conveniently trace up the distinctive rank to which each member of the fraternity was from time to time entitled, and, therefore, free from any intension of slight in this respect, will allude to all alike, simply as Brother.

The officers stationed at the American Fort Pembina, about sixty miles distant southward, had formed a Lodge there, and some of them occasionally visited Winnipeg, and during such intercourse encouraged the Winnipeg Brethren in their design to form a Lodge, and recommended their petition to the M.W. Grand Master of the Grand Lodge of Minnesota; this Territory bordering on that of Minnesota, the then Grand Master, Bro. A. T. C. Pierson, considered the Red River settlement to be within his Masonic jurisdiction and granted the prayer of the petitioners by issuing a Dispensation authorizing Bro. John Schultz as W.M., Bro. A. G. B. Bannatyne, S.W., and William Inkster, J.W., to institute a Lodge in the Red River settlement, Rupert's Land, and there to Initiate, Pass, and Raise Free Masons according to ancient custom; the said Dispensation was dated St. Paul, Minnesota, the 20th May, 1864, and was signed by the Grand Master above named.

Some delay occurred in the transmission of the papers, and in fitting up and furnishing a hall in which to meet. This hall was in the second storey of what is now a dry goods house, at the corner of Main and Post Office Streets, and the first meeting of the Lodge was held on the 8th of November, 1864, with the following named officers: Bro. John Schultz, Worshipful Master; Bro. A. G. B. Bannatyne, Senior Warden; Bro. William Inkster, Junior Warden; Bro. J. E. Shelton, Treasurer; Bro. William Caldwell, Secretary; Bro. W. B. Hall, Senior Deacon; Bro. Charles Curtis, Junior Deacon; Bro. R. Morgan, Tyler.

Several petitions for initiation were received at this and subsequent meetings; the Lodge flourished amazingly and made many good Masons. I may mention Hector McKenzie, John and Thomas Bunn, Dr. J. C. Bird, and Archdeacon Hunter, as a few of the worthy Masons made in the old Northern Light Lodge.

The Lodge was held by the same principal officers for three years. The Dispensation having been extended and election of officers permitted which took place on the 23rd of December, 1867, resulting as follows: Bro. A. G. B. Bannatyne, Worshipful Master; Bro. Thomas Bunn, Senior Warden; Bro. John Bunn, Junior Warden; Bro. E. L. Barber, Treasurer; Bro. Hector McKenzie, Secretary; Bro. C. J. Bird, Senior Deacon; Bro. Charles Curtis, Junior Deacon; Bro. E. H. G. G. Hay, Tyler.

During the year 1868 the Masonic horizon in the Red River settlement became somewhat cloudy; the prospective change in the proprietorship of the Territory, and other causes, had

1870 GOLDEN

materially dispersed the members of the Lodge; the Grand Lodge of Minnesota also seemed to doubt the propriety of maintaining the right of jurisdiction within this Territory, a sort of apathy for a time prevailed, and finally the Grand Lodge cancelled the Dispensation, and thus ended the course of the pioneer Masonic Lodge of Rupert's Land.

The few members of the old Lodge who remained in the province have affiliated with the Lodges formed more recently.

After the transfer of the Territory to the Government of the Dominion of Canada, the troubles of 1869 and 1870 occurred; a military force from the eastern provinces arrived here, for the restoration and maintenance of order, and amongst them were many members of the fraternity. True to the traditions of our ancient privileges, they soon arranged for the establishment of Lodges, where they could practice the mystic art, and promulgate the principles thereof in the new province.

The first petition sent to the Grand Lodge of Canada was for permission to form the Winnipeg Lodge, with Bro. the Rev. Robert S. Patterson as W.M., Bro. Norman J. Dingman, S.W., and Bro. W. N. Kennedy, J.W.

The Dispensation was duly received, an emergent meeting was held on the 10th December, 1870, but owing to Bro. Dingman having returned to the east, Bro. W. N. Kennedy was elected S.W., Bro. Mathew Coyne, J.W., Bro. James B. Morice, Treasurer, and Bro. Henry T. Champion, Secretary; a regular meeting was held on the 22nd, at which several applications and petitions were received, and on the 27th, St. John the Evangelist's day, the brethren dined together.

At their next meeting the name of the Lodge was changed by permission from Grand Lodge, and called Prince Rupert Lodge. The meetings were held in the second storey of what is now a hardware store on the corner of Main Street and Postage Avenue.

At the end of one year from its first regular meeting it was properly constituted number 240, Grand Register of Canada, and its register contained 55 members.

Simultaneously with the receipt of the Dispensation for this Lodge similar documents were received for the institution of two other Lodges in the province, namely, Manitoban Lodge, at Lower Fort Garry, which held its first meeting - February, 1871, with Bro. George Black as W.M., Bro. Thomas Bunn, S.W., and Bro. W. J. Piton, J.W.; and International Lodge at North Pembina, with Bro. F. T. Bradley as W.M.

The name of Manitoban Lodge was subsequently changed to that of Lisgar Lodge. Their warrant was received in due course, No. 277, G.R.C., and the old Lodge still remains, healthy and prosperous, in the thriving town of Selkirk, 22 miles north of Winnipeg, on the Red River, from whence this periodical is dispatched.

The authority to form a Lodge at North Pembina was not acted upon; Brother F. T. Bradley found unexpected difficulties to prevent the formation of a Lodge on an International basis, and the population north of, and in proximity to, the boundary line, was too sparse to admit of its success if limited to Canadian territory, therefore the Dispensation was allowed to lapse.

The influx of population to the province, and the rapid increase in the then prospective City of Winnipeg, suggested the advisability of forming another Lodge; accordingly a petition was sent to the Grand Master of the Grand Lodge of Canada for authority to institute Ancient Landmark Lodge, with Brother James Henderson as W.M., Bro. Wm. F. Luxton, S.W., and Bro. Walter Hyman, J.W. The petition was granted, they received a Dispensation and held their first meeting at Winnipeg in December, 1872. This Lodge also found abundance of good material for the erection of their Masonic edifice, and occupied the position in this province second only to Prince Rupert Lodge. In due course they were chartered No. 288, G.R.C.

The three Lodges were fully established and in good working order, and continued to flourish under the paternal care of the Mother Grand Lodge. But as children arriving at mature age generally desire to set up for themselves, so did these three lodges conclude to cast off the fostering mantle of the Grand Lodge of Canada, and on the 12th of May, 1875, declared themselves the Grand Lodge of Manitoba, with the following named officers: Bro. Rev. W. C. Clark, Grand Master; Bro. W. N. Kennedy, Deputy Grand Master; Bro. Jas. Henderson, Grand Senior Warden; Bro. S. L. Bedson, Grand Junior Warden; Bro. Rev. J. D. O'Meara, Grand Chaplain; Bro. John Kennedy, Grand Treasurer; Bro. H. T. Champion, Grand Registrar; Bro. John W. Bell, Grand Secretary; Bro. Gilbert McMicken, Grand Senior Deacon; Bro. W. J. Piton, Grand Junior Deacon; Bro. John J. Johnston, Grand Sword Bearer; Bro. G. B. Spencer, Grand

Director of Ceremony; Bro. Simon Duffin, Grand Pursuivant; Bro. John Norquay, Grand Steward; Bro. Thos. H. Parr, Grand Steward; Bro. Wm. F. Luxton, Grand Steward; Bro. C. D. Rickards, Grand Steward; Bro. T. H. Barton, Grand Tyler.

The three Lodges thus forming the Grand Lodge were numbered Prince Rupert No. 1; Lisgar No. 2, and Ancient Landmark No. 3, Grand Register of Manitoba. Shortly after the organization of the Grand Lodge Dispensations were granted to St. John's Lodge in Winnipeg, with Bros. J. W. Harris as W.M., Archibald McNece, S.W., and Stewart McDonald, J.W., dated the 6th July, 1875; and to Hiram Lodge at Kildonan, with Bros. John H. Bellas W.M., Rev. S. P. Matheson, S.W., Colin Inkster, J.W., dated the 9th of October, 1875.

It may here remark that from the first establishment of Freemasonry on the Red River of the north, the more educated class of the native born inhabitants showed great interest in the institution, and many of them at once became members. Thus Hiram Lodge was composed principally of these brethren, as shown in the address of our much esteemed Past Grand Master, Bro. W. N. Kennedy, delivered to Grand Lodge the 14th of June, 1876, at which time Warrants were issued to the two Lodges last named and numbered 4 and 5 respectively, G.R.M. On the 29th July, immediately preceding, Emerson Lodge was formed, U.D., with Bros. F. T. Bradley as W.M., D. G. Dick, S.W., O. Bachelor, J.W., and a Warrant issued to them at the next communication of Grand Lodge held in June, 1877, and numbered 6, G.R.M.

It is here worthy of note that the M.W. Grand Master of the Grand Lodge of Minnesota, Bro. James C. Breden, evinced such truly Masonic liberality, and freely gave permission for the Emerson Lodge to receive petitions from and confer degrees upon persons residing in Minnesota, near to the Province of Manitoba.

In the course of the ensuing year a Dispensation was granted to Assiniboine Lodge at Portage la Prairie, and a Warrant issued to them at the annual communication of Grand Lodge held in June, 1878, number 7, G.R.M., with Bros. Roderick McQuaig, as W.M., J. A. K. Drummond, S.W., Charles H. House, J.W.

At this communication of Grand Lodge family jars occurred which divided the household of the fraternity, emanating, principally, from the question of Ritual. The older Canadian Lodges preferred to continue the method to which they were accustomed, while the more recently formed Lodges had adopted the American method and endeavored to make it the established Ritual of the Grand Lodge of Manitoba. The Canadian workers demurred and severed their connection with this body; a year of probation ensued, may I say of purgation, or of purification. I am at a loss for an appropriate Masonic definition of that period, but will take consolation by calling to mind the historic doctrine, that out of evil cometh good, for thus it proved in this instance. During this time two separate bodies had existed, each styling itself the Grand Lodge of Manitoba. The Canadian body had granted Warrants to three new Lodges, namely, King Solomon Lodge, at the town of Morris, with Bros. W. H. Pringle as W.M., Robert Meiklejohn, S.W., Solomon Johns, J.W., number 8, G.R.M.; Oakland Lodge at the Boyne Settlement, with Bros. Rev. Walter Ross as W.M., William Livingston, S.W., Louis Renaud, J.W., number 9, G.R.M.; and Northern Light Lodge, in Winnipeg, with Bros. Gilbert McMicken as W.M., Alex. Christie, S.W., J. M. McDonnell, J.W., number 10, G.R.M.

Subsequently to the split referred to various efforts were made to effect a compromise of the differences, which proved futile until at length the Canadian body appointed Past Grand Master, Bro. George Black, as a arbitrator on their part, and the other body appointed Grand Master Rev. Bro. S. P. Matheson on their part, and to these two distinguished brethren are due the best thanks of the craft. They prepared their award, setting forth the terms and conditions of settlement; a special communication of both bodies was called to meet on the 19th of June, 1879, to take the award into consideration; the terms and conditions therein set forth were adopted by both parties and they merged into one; the diverse opinions had been drawn together by that invisible mystic tie, ever powerful for good; the shattered household was again united in one band of brothers, as of yore, with a realization of strength and influence, greater and more firmly established, after an ordeal test; and when order was fully restored it was found that, during the chaos, triplicates, all healthy and prosperous, had been added to the Masonic family of Manitoba.

At the annual communication of Grand Lodge held on the 11th and 12th of February, 1880, the terms and conditions of settlement were fully confirmed by the Grand Lodge and a committee was appointed to revise the Constitution. Lodges are permitted to use either of the two rituals referred to, at the option of each Lodge in this jurisdiction, in accordance with resolution adopted by Grand Lodge, 12th of February, 1879.

NOTE—The early History of Masonry as set out in the foregoing is given in Prince Rupert's Commemorative Booklet in order that the historic record may be preserved. It is not the intention of the Committee, or is it the purpose of this Booklet, to cover in a similar manner the remaining forty years of Masonry in Manitoba. The story of Prince Rupert's activities from the beginning in 1870 to the present time is, however, here presented in illustrated form for the information and edification of its members in particular and Masonry in general.

# Testimonial to Prince Rupert's First Worshipful Master in 1872

At the last meeting of Prince Rupert's Lodge presided over by the First Worshipful Master, held in May, 1872, the brethren of the Lodge took advantage of the occasion to present W. Bro. Patterson with a farewell address, accompanied by a D.D. Grand Master's Jewel, he having held the office of District Deputy at the time under dispensation of the Grand Lodge of Canada. Following is a copy of the address, and W. Bro. Patterson's reply:

[COPY]

To W. Bro. R. Stewart Patterson,  
First Worshipful Master of Prince Rupert's Lodge.

Dear Sir and Brother:

We, the members of the above named Lodge, cannot allow you to depart without expressing our gratitude for your great services in the cause of Masonry in this Province and our own Lodge in particular. To you belongs the great honor of being the Founder of Masonry in Manitoba and the formation of four Lodges since, in the order of Providence, you have resided here in the capacity of Chaplain to the Dominion Forces. In the prosperity which attends our work we recognize the efforts of your unwearied zeal under the blessing of the G.A.C.T.U. You have proved yourself not only a master of men, but a master of work. We part with you with sincere regret, and pray that the blessing of the Most High may attend you wherever your lot may be cast. We take this opportunity of acknowledging the debt of gratitude we owe you and to express the fraternal regard we individually bear you. We present you with the Jewel of a D.D. Grand Master as a portion of the regalia, not now ready, which we trust you will wear as a token of our esteem, and will remind you of the many happy hours spent by us together, and that neither time nor distance can sever the tie which has so firmly bound us to each other. We trust that if we meet not again on earth we may do so when summoned to the Grand Lodge above.

Signed on behalf of Prince Rupert's Lodge:

A. R. Macdonald, P.M.	G. B. Spencer, S.D.
W. N. Kennedy, S.W.	J. Cranam, J.D.

	Committee.

[REPLY]

To the Officers and Brethren of Prince Rupert's Lodge.

Brethren:

With mingled feelings of surprise, pleasure and regret I have listened to your truly Masonic address; *Surprise* that the little I have done to forward the interests of the Craft is in any respect worthy of the high commendation you have bestowed on it, or of your invaluable parting gift which was wholly unexpected by me. *Pleasure* because, esteeming you all, I rejoice to find that the regard is mutual. *Regret* because I am reminded by the words of farewell contained in your address that our separation has become imminent. I assure you, Brethren, that no such testimonial and symbol of your feelings was required to convince me of your affection and fraternal regard. I accept your valuable gift with pleasure\* and shall wear it for your sakes as long as I sojourn on earth. I do not desire to trespass on your time with a long reply. I must say, however, that I do not take to myself the least credit for what I have done, as I performed only my duty. Commending you all to the safe keeping of Him whose all-seeing eye is ever upon us, and praying that the same Holy Spirit which moved upon the face of the waters when God pronounced the words of power, "Let there be Light," may illuminate you on your life's journeys and finally guide you to the many mansions prepared for you in the "Land which is very far off."

[Note by W. Bro. Stewart Patterson.]

\*I said in my reply to the Brethren who were present when their kind and thoughtful gift of the Purple Clothing of the Grand Lodge was handed to me that I should wear it for the donors' sakes as long as I was a sojourner on earth. I have kept my word in this respect, as for forty-five years, that is, since 1872, the date of my arrival in England, until the present time I have been proud to wear it in many Countries, in many Lodges, and in the presence of Brethren many of whom were in the highest positions not only in the Craft but in the world. Whilst wearing it I have held office in Purple and other Lodges belonging to various Constitutions, and amongst those whom I have had the honor of meeting it might be of interest to the Brethren if I gave a few names: H.R.H. The Duke of Connaught, M.W.G.M., England; H.R.H. The Late Duke of Clarence; Field Marshal Earl Kitchener; General Sir Leslie Rundle; General Sir Reginald Wingate; R.W. Bro. Lord Kensington, P.G.M. South Wales; R.W. Bro. The Earl of Bander, P.G.M. Munster; M.W.G.M. of Egypt, Rhagheb Bey; and many others.

JUBILEE 1920

**B**UILD upon resolve, not  
upon ruinous regret, the  
structure of thy future.

Grope not among the shadows  
of old sins, but let thy soul's  
light shine upon the path of  
hope and dispel the darkness.  
Waste no tears upon the  
blotted record of lost years,  
but turn the leaf and smile,  
oh, smile, to see the fair white  
pages that remain to thee.
