

Worcester,

July 7th, 1884.

Dear Sir and Brother,

You are doubtless aware that it is proposed to hold a Masonic Soiree and Exhibition of Masonic and other Curios, on the 27th August next, at Worcester, on the Evening preceding the Meeting of Provincial Grand Lodge.

We most cordially invite the honor of your company.

The space afforded by the Guildhall Buildings being limited, it is necessary we should be favored by your reply not later than Wednesday, the 16th inst., and that you should state in such reply if it be your desire to bring a Lady, who will, in such case, be heartily welcome.

All necessary particulars will be furnished in due time.

Will you please address your reply to the Hon. Sec.

We are, dear Sir and Brother,

Faithfully yours,

EDMUND A. H. LECHMERE,
Prov. Grand Master.

IT is earnestly requested of Brethren who may have suitable Exhibits, or who may be able to procure such from others, to immediately communicate with the Hon. Sec., so that a proper description may be given, and the Catalogue made as large as possible.

It is intended to keep the Exhibition open for a week.
