

M. M. Sentiments

To him that all things understood  
To him that found both stone & wood  
Also to him that luckless lost his blood  
In doing of his Duty  
To that bless'd Age, to that bless'd Morn  
Whereon those three Great Men were born  
That did contrive support & Adorn,  
With Wisdom, Strength & Beauty

To him that did a Temple rear  
That lived & died upon the Square  
His dead & gone no one knows where  
But such as Master Mason's Arc
