Dear Brother basefield

Will anger or
explanation best meet this
communication from 498?

I trust the latter will repay
my choice of it.

I enclose you copy of the
correspondence so far. kindly
send it me back by return

I cannot think that you
could be present at any
meeting of P. Mis from

whence such could come.
But I need not suggest
to you the advisability
of attending the next
whenever it is, and
talking reason to these
brethren, and showing
them common sense.

If you have not been
invited to a meeting,
they have no ^{excuse} ~~reason~~

for writing in the name
of the Ops of the Lodge.

I should like your opinion.

You will remember that I
had actually put down

in my suggested list the
name of Bro Green the
present Master, but that
~~you said~~ at your wish
it was altered to Bro Corbett
who had only just left the
Chair & better deserved it.

Is it not trying that ~~our~~
our labour of love should be
made so weary by the
manifestation of such a
spirit.

faithfully yours

Dear Brother Masfield

We thought we had fixed things very nicely, but this morning Sir Edmund sends me the enclosed bombshell from Bro. Brown.

Bro we let me have both enclosures back by return as I must write the P.f.m. not later than Sunday.

Bro. Lamb Smith I see has not passed the Chair I merely went on Sir Edmunds recommendation and did not look - pohe must

Come out, old as he is and
other things.

So the cat is out now, it is
573. again that is the
defaulting Co.

Bro. Giles Bloomer the Treasurer
should have known better

I have written a private
and confidential hint to
flore the Wm, and to
Clifford Bloomer asking them
to see that Dues are sent
immediately.

Oh dear, what work these
thoughtless Wm do give!

I think it hard that

Vidcock and Clifford Bloomer

should suffer for this
don't you? Tell me what
you think about it, and
if you would stick out
for those two appointments
to stand.

I have not told you about it
but there is bad blood
between Worcester and Malvern
in the Encampment and
Rose Cross a lot of trouble
late & Brown has resigned
It all tells I suppose
we are told there was dissonance
in Heaven once, pity there is so
much in Masonry!

Dear Brother Masfield

Will you be good
enough to tell me who is

- 1 Scribe E of 552 Chapter ?
- 2 Scribe E of 498 Chapter ?
- 3 and if Bro. Poole is still Secy of 498 Lodge ?

I want to send out forms for Returns.

Had Bro. Buitow any books for Provincial Chapter ?

I find a small Book in Box with rough minutes of the

meeting at Worcester, when
Sir Edmund was installed
P. G. Supt. - but I do not know
if proper books were obtained.

a small Comtee was appointed,
to frame By-Laws for Prov. Chapter
but I suppose nothing has been
done as yet?

The P. G. Master has written me
on the subject of the special
P. G. Co. and I have given my
opinion that there is no necessity
for it till the usual one in
Sept. - unless you wished it.

I presume as you agree it will
not take place now

with kindest regards, hoping
you keep well this trying weather

Yours very sincerely

Dear Brother Masfield

I herewith send you
Forms of Returns for Chapters
252 and 498 for your

Kind attention next month.

The P. G. Sup^{ts} has appointed me
P. G. Scribe E. May I ask you to
Kindly make a parcel of the
Collar and Jewel and send me
by rail to Slingsfield Mills,
Kidder.

The p. g. m has definitely decided
not to hold any special meeting
of P. G. C.

Will you kindly give me your
opinion upon how often
P. G. chapters should be held,
3 years has been mentioned
but I think 2 years long
enough. More than that
would tend to make it
lose interest in the eyes of
the Companions - who would
like to see something for
annual fees.
What do you think?

With kindest regards

faithfully yours

July 17. 1882

Dear Brother Masfield

I have yours with
returns and cheque for
which I enclose receipts - and
am much obliged.

It was to me as great
a disappointment on Wednesday
as any body. I would have
disobeyed the Doctors orders
but I felt too ill to
come. Have scarcely been
fit to get about all the

week.

It is something new to me
to be so severely indisposed,
but suppose I must suffer
like the rest at times.

It has brought me down very
low, but today I feel more
like myself, and hope to
pull round.

And now about the
Testimonials business.

I was too late to stop,
Bro Brown sending the
Cheque and have it here
now waiting to know
what to do with it as
it is of no use sending

it back.

Don't you think you had
better arrange for us to
see Miss Britton and give
her the album and Chequer
and then you can arrange
with her to give it you
back pending the arrangements
you speak of or anything
you like in that way.

It will have wound its
up so far as all but
jurisdiction are concerned
and hence I think
should be done —

I will meet you at
Stonbridge any afternoon

You like to fix next
week barring Monday.

Let me know what you
think as I want to

get rid of the

album and cheque
soon as convenient

Kindest regards

Faithfully

Dear Brother Masfield

re Bristow Testimonial

The Bro. G. Masden
has been in correspondence with me
relative to the best means of conveying
the Album, and balance of Fund
to Miss Bristow.

Farling Sir Edmunds power to
attend, it has been suggested that
yourself, with Bro ^{Westwood} ~~Masfield~~ and
myself, should arrange for a
favourable opportunity to wait
upon Miss Bristow and make
the present at once.

Should you approve, will you kindly let me know if the afternoon of Monday or Tuesday week the 6th or 7th Feby would suit you.

I am writing Bro. Westwood asking the same, and as soon as I hear from you both, I will write Miss Westwood asking her to give us the appointments.

It is possible you & Bro Westwood may meet & arrange.

With kind regards & best wishes

Sincerely yours

George Daylon

Dear Bro. Masfield

I have asked
Miss Britan to appoint
either next Wednesday or
Thursday afternoon for yourself,
Bro. Westwood, and I, to
wait upon her with balance
of Fund and Album.

I expect her reply Sunday
and will immediately let you
know - I send this that
you may have as much notice
as possible. I could meet
you at Dudley Station and
go on from there.

By this post I send the
Prov. Grand Superintendents
draft copy of Prov. Grand
Chapter By-Laws - for perusal.
You will have them for
criticism in due time.

I have not yet received
Returns and Due from
Chapters 252 & 598!

With kindest regards trusting
you are well,
Yours faithfully

Dear Brother Masfield

I was afraid I should not be so fortunate as to have your presence on Tuesday - tho' I should have valued it so much -

I am not clear of the Lechnere Chair till March next. I thank you for your hint, but I obtained a dispensation from Grand Lodge office a little time ago, to enable me to hold the two chairs for that space of time.

Copyright Worcester and Museum Trust

Col. Clarke said it was one
not usually granted, but
in my case all objections
would be waived.

I note your Enquiry about
Briston Testimonial.

I really know nothing
at all about it. Myself,
the P. G. M., and Bro.
Westwood are the people
who should know all
about it.

^{finished}
I collected in all the
money a month or two ago
and it is deposited
thro' Bro Brown in the
Malvern Old Bank.

It realized 529 £

In the purchase of album,
postage, and printing £50,
were expended, and it
left an available balance
of £519.

I wrote to Bro Brown saying
I hoped he could add
a little for interest, and
he replied it was against
the rule of the Bank and
he could not.

I told him I was much
surprised, and had I
known could have got
interest here whilst the
fund was accumulating.

I told him, he must
at all events make it
520 £, if not to let me
know and I would send
the other pounds myself.

So that I have never
had reply. at all events
£520. 0. 10 is the amt
inserted in album -

I am surprised you ask me
about the Fund now. I
thought you were quite an
courant in all connected
therewith, by reason of being
engaged in its disposal.

By your enquiry I conclude it
is not applied. Kindest regards

faithfully yours

George Bayler
