

Prayer at Opening Pro. G. Lodge.

"Great Architect of the Universe! 'Arbitrator
whose special & preventing grace, all
human efforts, are of no avail. Mercifully
hear our supplications, & grant that our
labors, thus begun in order, & in obedience
to our laws, may please Thee, both in
will & deed, & redound evermore to
the honor & glory of Thy Holy Name!"
So mote it be!

Prayer at Closing. Prov. J. Lodge.

"Accept, we beseech Thee, Great Architect of the Universe! our humble & hearty thanks for the many blessings we derive from Thine Infinite goodness. Grant that the precepts, & principles of our Order, may be deeply engraven on our hearts. & so dispose our words & actions, that eschewing those things which are contrary to our profession, & following all such things, as are agreeable to the same, we may help to cement & adorn, this sacred Edifice, both now, & for evermore!"

So mote it be!

Grace.

May the Great Architect of the Universe, who has spread our board with plenty, give us grateful hearts, & make us always mindful, to relieve the wants of others.
