2015/6.25

As you will observe, our Social Evening falls on the fifth Friday, May 31st. On this evening a special treat is in store for us, as one of our distinguished brothers has promised to give us a lecture on his trip through Europe. I trust that every member will make a note of this date and make every effort to be with us on this highly interesting, instructive and delightful occasion.

The work on our new Temple is steadily progressing. The contractor has informed us that the Corner Stone may be laid during the month of June. Due notice of this event will be given in ample time to permit every brother to participate in the impressive ceremonies.
