The sun has risen on another Masonic year, one which I trust will prove peaceful and prosperous.

In assuming the duties of the high office to which you have elevated me, I feel that words are inadequate to express my appreciation of the honor which you have conferred upon me.

I feel my utter inability to proceed with the duties without your hearty co-operation and assistance.

I therefore request the Past Masters and brethren to encourage their officers with their presence at every possible opportunity.

Although the outlook for work is very promising at present and a social hour seems an utter impossibility, we intend to make arrangements to hold social sessions from time to time in order that the brethren may become better acquainted with each other.

Consequently your constant attendance will be necessary if you wish to enjoy these social sessions, as they will be intended in the nature of a surprise, and those who are present at the time will receive the benefit.

Do not forget our album. We would like to have a photo of every member. Brother H. D. Garnes has generously offered to take your photo free of charge for Trimble Lodge.

Wishing you all a happy and prosperous New Year, and again soliciting your aid and assistance, as well as that of our Supreme Grand Master, without whose help nothing can be accomplished, I am

Very fraternally yours,
RICHARD C. AITKEN, W. M.
