THE QUEEN MOTHER AT
FREEMASONS' HALL

Tuesday - 29th Oct.

ROYAL ENGAGEMENTS

Queen Elizabeth the Queen Mother visited Freemasons' Hall, Great Queen Street, Holborn, and the Royal College of Music, South Kensington, yesterday.

On her arrival at Freemasons' Hall her Majesty was received by Lord Scarbrough, Grand Master, United Grand Lodge of Masons of England, and by Lord Derby, Deputy Grand Master, Brigadier-General William Darell, Assistant Grand Master, and Sir Sydney White, Grand Secretary. Her Majesty spent nearly two hours examining the hall.

I saw in the "T" last week that -
(see cutting)

This I feel is a grand compliment to Grand Lodge, & while all the distinguished W.M.

Brethren who received her Majesty must have been greatly honoured, the Rt. Wor. ~~Assistant~~ ^{Deputy} Grand Master, The Earl of Derby ~~must~~ ^{would feel} particularly proud, because he had the honour of deputising for his Late Majesty nearly twelve months ago. When he installed the most Wor. the Grand Master.

He did a magnificent job of work, and every one present on that occasion, felt we had a very capable & sincere Dep. G.M.

With regard to the Rt. Wor. Assist. G.M. Brig. Gen. W.H.V. Warrell, he is of course better known to us as our Prov. G.M. - yet he has served Grand Lodge, in his present position for 15 years, which is a commendable record.

The Present Officers of Grand Lodge really deserve a word of praise for the splendid way they perform their duties.

Ceremonies are of course, only one phase of their activities. There are many Comitties, which have to be attended, which take time & thought, but all this vast amount of work has to be done to ensure the smooth running of our world wide Brotherhood.

Federation Lodge is indeed fortunate to have three Grand Lodge Officers & Past Ranks. Wor Bro. Sliff, Winess & Wolff. At all our Regular Meetings Grand Lodge is represented, a distinction which we may well be proud of & always remember.

I should like to thank them very sincerely for the keen interest they take in our affairs. Their long years of experience in masonry is always at our disposal & we benefit greatly from it.
