## "Absent Brethren"

Great Architect of love and power,  
Our brethren shield in danger's hour;  
From rock and tempest, fire and foe;  
Protect them whereso'er they go;  
Thus evermore shall rise to thee  
Glad hymns of praise from land and sea.

# The Worshipful Master's Song

We have toasts in the Craft among others,  
That specially thrill through the breast,  
While singing in praise of our Brothers,  
Who rightly rule over the rest.  
The blood in our veins flows the faster,  
As the health is proposed loud and free,  
Of our excellent Worshipful Master,  
For a jolly good Mason is he.

## Chorus:

Here's a health to our Worshipful Master  
Beloved of us all "on the square,"  
Let his name in the Craft  
With all honours be quaff'd  
And "prosper the art" ev'rywhere.

Though we greet him with hearty ovation,  
As monarch over all he surveys,  
We must help him on every occasion,  
His banner Masonic to raise.  
Our love and obedience requite him,  
Our zeal in the cause gives him bliss,  
And our harmonies ever delight him,  
With a chorus as friendly as this—  
Here's a health, etc.

At the sound of his voice or his gavel,  
Let smiling attention prevail,  
None dreaming to cark or to cavil,  
But cheerfully utter "all hail!"  
May his year be a season of gladness,  
His cup and his cupboard be full,  
And our way to ward off care and sadness  
Is with him together to pull.  
Here's a health, etc.
