## Worshipful Master's Song

This world is so hard and so stony,  
That if a man is to get through  
He need have the courage of Nelson,  
and plenty of Job's patience, too.  
But a man who is kind to another,  
and cheerfully helps him along,  
God bless such a man and a Brother,  
and here's to his health in a song.

CHORUS:

And here's to his health, here's to his health  
And here's to his health in a song.

This life is as cheerless as winter,  
to those who are cold in the heart.  
But the man who is warm in his nature,  
Bids winter forever depart.  
The ground that he treads on will blossom,  
Till beauties around him shall throng.  
God bless such a man and a Brother,  
And here's to his health in a song.

CHORUS:

And here's to his health, here's to his health  
And here's to his health in a song.

As clouds that in sunshine are open,  
And silver'd by light passing through,  
So men who are generous in spirit  
Are bless'd by the good deeds they do.  
There's nothing like helping another,  
For getting one's own self along  
Who does this is truly a Brother,  
And here's to his health in a song.

CHORUS:

And here's to his health, here's to his health,  
And here's to his health in a song.

## Absent Brethren

Architect, in Thy great Mercy, Hear our evening prayer:  
Keep our Brethren, now far absent, 'neath thy care.

When in sorrow, when in danger, when in loneliness:  
In Thy love look down and comfort their distress.

Thou Who art Supreme in Power over land and sea,  
Bless them, save them, guide them, keep them near to Thee.
