considerable skill."*

The Ladies Song

Ladies from the East and West
We have done our very best
To ensure your welcome here
Bright, Fraternal and Sincere

Chorus

Warm Masonic Hearts to Meet You
Hands of Fellowship to Greet You
May Our Welcome Here Today
Cheer Each Lady on Her Way

We all recognise your worth
Our best friends upon this Earth
For whatever be our lot
Rich or Poor it matters not

Chorus

When on Earth we say Adieu
May our Love remain with you
And may we renew that love
In a Grander Lodge Above

Chorus

I am Beholden to you for your sweet music

The Worshipful Master's Song

We have toasts in the Craft among others
That specially thrill through the breast
While singing in praise of our Brothers
Who rightly rule over the rest
The blood in our veins flows the faster
As the health is proposed loud and free
Of our excellent Worshipful Master
For a jolly good Mason is he

Chorus

Here's a health to our Worshipful Master
Beloved of us all "on the square"
Let his name in the Craft
With all honours be quaff'd
And "prosper the art" ev'rywhere

Though we greet him with hearty ovation
As the monarch o'er all he surveys
We must help him on ev'ry occasion
His banner Masonic to raise
Our love and obedience requite him
Our zeal in the cause gives him bliss
And our harmonies ever delight him
With a chorus as friendly as this

Chorus

At the sound of his voice or his gavel
Let smiling attention prevail
None dreaming to cark or to cavil
But cheerfully utter "all hail?"
May his year be a season of gladness
His cup and his cupboard be full
And our way to ward off care and sadness
Is with him together to pull

Chorus

Pauline and I wish to thank
