### A MASONS METAMORPHOSIS

To cast a spell with a kiss (VSL)  
We escape this earth by metamorphosis.  
Follow the paths of the Sun and Moonbeams  
Seek out the harbour of your dreams  
And place them in the vaults of heaven.  
There in the Architects great creation  
A journey of discovery you cannot miss  
Let begin your special Masonic Genesis.  
Spirits soar in what direction you may  
With the sun to rule the day  
And the moon to govern the night  
The starry firmaments a wonderful sight.  
Touch clouds of Cumulus, Nimbus or Cirrus  
Form them into pillows for Brethren like us.  
Rest your weary head on a dream  
Earthly problems are not what they seem.  
Within this perfect celestial constellation  
Find your own personal consolation.
