Dear Sir,

Whilst clearing up my late father's papers (Worshipful Brother E H Jephcott, Staffs.) I came across this picture of his grandfather, Rev Henry McKean in provincial Masonic regalia, and wondered if it might be of interest to yourselves or to Godson Lodge. From the note on the back I gather he was either a founder member of the lodge, or in the first group of initiates.

Family knowledge tells me he was Provincial Grand Chaplain towards the end of the 1800's or early 1900's, and that he was part of a group of 8 or 9 men initiated in one night. This must have been a marathon meeting.

If it is not of use please do not bother returning it as I have another copy which will be included in the family tree.

In case you wonder why I am contacting you I remember my late 2<sup>nd</sup> cousin Worshipful Brother W S Jephcott Worcs. Mentioning your museum and as I once lived in Worcester I remembered where you were.

Yours

Michael Jephcott
