

Semper Fidelis,  
No. 529.

Worcester.

8th DECEMBER, 1890.

DEAR SIR AND COMPANION,

The Grand Superintendent, SIR E. A. H. LECHMERE, BART., M.P., has signified his intention of conferring Provincial Grand honors on two of the M.E. Comps. of this Chapter, at the Provincial Grand Meeting, to be held at Dudley, on Wednesday, the 17th inst., of which you have already received notice.

This Chapter being so lately formed this cannot otherwise be considered than as a marked distinction and compliment.

The M.E.Z. trusts that you and other Companions, to shew our appreciation, will make an earnest endeavour to support him at that Meeting.

I shall be obliged if you will advise me, if possible, at an early date, if you intend being present, to enable me to make the necessary Railway arrangements.

I am, dear Sir and Companion,

Yours fraternally,

W. T. PAGE,

(SCRIBE E.)
