Dear Bro. Inscott,

In the Loazs minutes there is the following

Entry: -

Grand Master's Loazs 17th!

Fremasons' Tavern

Monday - 16 May 1870

Present

Bro Edward

Bro Edmond K. Bayley P.G.S.T., W.14.

It was proposed by Bro. F. Wyatt Inscott, P.M.
seconded by Bro. F. Bennoch P.M. that James
Freeman Inscott Esq, Printer, Suffolk Lane
Cannon Street, E.C. stand as a candidate for
Initiation.

Up to the end of 1875 (I have not examined
the minutes ~~later~~ later Dec^r 1875) there is

2020/5/68

no Entry relating to Mr J. F. Truscott. It does not appear that his name was even brought to the Ballot. If you will let me know the year of his death I will look through the minutes up to that date. I note from your letter that he died in 1892 - ∴ I will continue my search later.

You may however be assured that by writing to Mr. Mansour to know whether Mr. J. F. Truscott ever paid an initiation fee or an annual subscription to the Lodge.

The various papers I have written from time to time for the Lodge are out of print - with the exception of "Laurence Dermott". I have a copy of that and I may have a copy of "Abraham Regan". I will have a look round for these & if I can find them I will send them on. It means wading into the recesses of a huge sea chest & tonight I haven't the energy.

Yours fraternally

Dear Brother Roy Truscott,

I have your note with regard to your Father, and I am sorry that although I have traced from 1870 to '77 I cannot find any record whatever in the accounts of the Lodge except the membership of your late Grandfather, so I suppose that although your Father intended to go forward he altered his mind.

Some little time ago I had an application from you for incurables, but I am sorry I cannot help you. I have a case of my own which I must get in, but there is a very curious position over this case. Mine was recommended by one of your lady supporters and I wrote her and told her I was interested and asked her what she was doing as I should like to send my vote and she replied that she was sorry she could not give any votes so I was rather surprised her name was on the card, but now that I see she is running your case I suppose she has taken up the latter and means to get that in first.

In the meantime I must work at these cases

are terrible long jobs.

Dear Bro. Newton Dunn,

TRUS

Grand Masters Lodge No. 1.

I am very sorry to trouble you, but I have always wanted to know whether my father, Mr. James Freeman Truscott, who died in 1892, was ever a member of the Lodge. You will see that his name is given in the list of Past Members under 1871.

I enclose Bro. Beece's letter which forms my sanction for troubling you.

With any apologies and kind regards,

Believe me,
Yours sincerely & fraternally,
